

Brainstorm met fruit

Aan wat moet je nog denken als je volgend fruit ziet?

Vormen - kleuren

Welk fruit zie je hier beneden staan.

Welke kleur hebben de vruchten?

Welke vorm hebben ze?

Welke zijn groter, kleiner, dikker, ...?

Is het hard fruit, zacht fruit of een steenvrucht?

veel - weinig

Kleur de mand met veel peren groen en de mand met weinig peren rood.

Kleur de mand met veel kersen rood en de mand met weinig kersen geel.

Teken links veel aardbeien en rechts weinig aardbeien.

Teken links weinig pruimen en rechts veel pruimen.

groot - klein

Welke appel is groter?

Teken de appel groter.

Teken de peer kleiner.

vormen

Kleur de vrucht die verschillend is van de andere vruchten in de rij.

rijmen

Zeg de naam van het stuk fruit hardop en zoek het rijmwoord.
Verbind de rijmende woorden met elkaar.

groot - klein

Kleur de vruchten die groot zijn rood.
De kleine vruchten kleur je groen.

schrijfoefening

Deze appels en peren hebben geen steeltje.

Teken een steeltje (van onder naar boven) zoals bij de voorbeelden.

Kleur vervolgens de appels rood en de peren groen.
